National College Beyond Boundaries

ISSUE-II October- December, 2024 Celebrating Golden Jubilee Year 1974-2024 News Letter I

Shri Ujjwal Raman Singh
Manager

Manager's Desk

It is an immense pleasure to chronicle this period of growth and student-centered achievements at National P.G. College through the second edition of our Newsletter. This publication reflects the collective dedication of our talented faculty, committed staff, and passionate students, all working together to uphold our institution's standards of excellence. Each milestone celebrated showcases our shared commitment to shaping India's future. I want to express my special thanks to Prof. Devendra Kumar Singh for his invaluable support in bringing this Newsletter to life. Let this platform continue to inspire collaboration, strengthen our community, and motivate us toward excellence in all our endeavours.

Warm Regards, Manager

Principal's Desk

Prof. Devendra Kumar Singh
Principal

This quarter has been an exciting period of academic achievements, professional growth, and vibrant community engagement. The second edition of our newsletter captures the essence of life at our institution, highlighting the remarkable efforts and accomplishments of our students and faculty.Through diverse programs, cultural events, expert interactions, and skill-building initiatives, we remain committed to fostering innovation, critical thinking, and leadership. These enriching experiences prepare our students to navigate a dynamic world.

This Newsletter serves as a reminder that our progress is shaped by the collective contributions of every individual in our community. Let us continue embracing challenges, inspiring one another, and striving for excellence together.

With Best Regards, Principal

About the College : National Post Graduate College

A Legacy of Excellence Founded in 1974 by the then Chief Minister of Uttar Pradesh, Late Chandra Bhanu Gupta National Post Graduate College stands as a premier institution in the heart of the city, near the serene banks of the Gomti River. With a lush green campus surrounded by leading academic and administrative institutions, the college is a corner stone of higher education. The only college in Lucknow with both College with Potential for Excellence (CPE) and Autonomous status, it offers undergraduate and postgraduate courses in Arts, Commerce, Science, and Computer faculties. Additionally, it pioneers skill development programs under the UGC-supported Deen Dayal Upadhyay Kaushal Kendra (DDUKK), offering specialized degrees and certifications in ICT, ITES, Banking and Financial Services.Equipped with modern laboratories, a rich library, e-library, and advanced research facilities, the college provides an environment conducive to academic excellence. Study centers for IGNOU and UPRTOU further enhance opportunities for distance learners through diverse diploma and degree programs. NSS and NCC initiatives instill patriotism and social responsibility among students, while robust sports programs promote excellence in Chess, Badminton, Cricket, and more. Prestigious tournaments like the Chandra Bhanu Gupta Inter Degree Collegiate Cricket Tournament add to its vibrant legacy.Dedicated to fostering disciplined and socially responsible citizens, National P.G. College empowers students
