National College Beyond Boundaries

Issue- V July–September, 2025

Celebrating The Golden Jubilee A New Era of Excellence

Manager's Desk

Shri Ujjwal Raman Singh
Manager

I take great pride in sharing the fifth edition of our college newsletter, a true reflection of the accomplishments, aspirations, and vibrant spirit of our institution. This edition highlights the creativity of our students, the dedication of our faculty, and the collective vision that continually guides us toward academic and professional excellence.

I want to express my heartfelt gratitude to our Principal, Prof. Devendra Kumar Singh, for his inspiring leadership, and to the editorial team for their sincere efforts in shaping this publication. May this newsletter serve not only as a platform for knowledge, innovation, and expression but also as a source of motivation for achieving new milestones.

Together, let us move forward with renewed determination, collaborative spirit, and a shared commitment to excellence.

Warm Regards, Manager

Principal's Desk

Prof. Devendra Kumar Singh
Principal

It gives me great pleasure to present the fifth edition of our college newsletter. This publication is not merely a record of academic and cultural activities but a mirror of the progressive vision and collective spirit that define our institution. It reflects the tireless dedication of our faculty, the enthusiasm of our students, and the supportive environment that enables both to thrive. Our college has always believed in holistic development—where intellectual rigor is complemented by creativity, values, and social consciousness. Alongside academic pursuits, we remain committed to promoting innovation, research orientation, and community engagement. It is encouraging to see our students achieving distinction not only in classrooms and laboratories but also in sports arenas, cultural forums, and social initiatives that make a meaningful difference to society.

This edition also highlights the institution's commitment to embracing new opportunities in higher education. As the academic landscape evolves, we continue to focus on skill development, interdisciplinary learning, and the integration of technology to prepare our students for global challenges.

I extend my heartfelt appreciation to the editorial team and contributors for their meticulous efforts in shaping this edition. I firmly believe that this newsletter will serve not only as a platform for sharing knowledge and celebrating accomplishments but also as an inspiration to strive for excellence and contribute positively to the community at large.

With Best Wishes, Principal

ABOUT THE COLLEGE: NATIONAL POST GRADUATE COLLEGE

National Post Graduate College, Lucknow, established in 1974, is a leading institution known for academic excellence, research, and holistic student growth. Affiliated with the University of Lucknow and enjoying autonomous status, the college has been accredited with an 'A' grade by NAAC, reflecting its commitment to quality education.

The college offers a wide range of undergraduate, postgraduate, and diploma programs in Arts, Science, Commerce, and Management, with a strong emphasis on skill-based and interdisciplinary learning. Through the UGC-supported Deen Dayal Upadhyay Kaushal Kendra (DDUKK), it provides industry-oriented courses in ICT, ITES, and Banking & Financial Services. In addition to its regular programs, to cater to academic diversification and excellence in career-oriented fields, the college offers a B.Com in E-Commerce, four B.Voc paramedical courses—Medical Lab Technology, Operation Theatre Technology, Physiotherapy, and Hospital Management — along with a B.Voc. in Hotel Management, aligning education with emerging professional demands. Its modern laboratories, extensive library, e-resources, and advanced research facilities nurture innovation and academic growth.

Beyond academics, the institution promotes social responsibility and leadership through NSS, Rovers Rangers, internships, and workshops. Sports also play a vital role, with students excelling in Cricket, Badminton, and Chess, highlighted by the renowned Chandra Bhanu Gupta Inter-Degree Collegiate Cricket Tournament.

With a vision of excellence and progress, National P.G. College continues to prepare capable and socially responsible individuals for meaningful contributions to society and the nation.

Chief Editor Desk

Dr. Ritu Jain
Assistant Professor
Deptt. Of Geography

We are delighted to present the fifth edition of our newsletter—an engaging reflection of campus life, filled with moments of pride, creativity, and collective accomplishment. More than a record of events, this edition reflects our collective journey—the dreams we pursue, the achievements we cherish, and the vibrant spirit that truly embodies our college.

Within these pages, you will discover a diverse blend of voices and talents, showcasing the inspiring initiatives across departments. The process of curating this issue has been immensely rewarding, offering us a chance to highlight the dedication and achievements of our community.

Special thanks to our Principal Sir, mentors, and editorial team for their guidance and support. We hope this platform continues to inspire expression, pride, and participation within our college family.

Warm Regards, Chief Editor

Bhumi Pujan of the Second Campus of National P.G. College, Lucknow, at Chandrawal, Sarojini Nagar on August 9, 2025.

The college marked a significant milestone in its pursuit of education and progress by laying the foundation of its second campus at Chandrwal, Sarojini Nagar. Spread across 15 acres, this upcoming campus is envisioned to become a beacon of quality education and a centre of academic excellence for future generations. The Bhoomi Pujan ceremony was celebrated with great enthusiasm by staff, students, parents, and community members, who came together to witness this historic moment.

DEPARTMENT OF HISTORY

Guest Lecture on "Kakori Train Action Day", August 8, 2025

In the History Department, classes for 3rd semester began on 5th July, while 1st semester commenced on 22nd July 2025. A major highlight was a guest lecture by eminent historian Prof. Roshan Taqui on 8th August 2025, commemorating Kakori Train Action Day, attended by faculty members and more than 100 students. Additionally, the department actively participated in a week-long FDP organized by the IQAC Department on Bloom's Taxonomy and CO-PO mapping.

DEPARTMENT OF ENGLISH

Guest Lecture on "Indian Knowledge System in the Context of English Literature", August 12, 2025

The Department organized a Guest Lecture by distinguished speaker, Prof. Onkar Nath Upadhyay, Head, Department of English and Modern European Languages, University of Lucknow. He delivered an insightful lecture and highlighted the relevance of Indian Knowledge Traditions in understanding and interpreting literary texts within a global framework. The session was highly engaging and attended by undergraduate and postgraduate students of the department. It offered students a broader perspective on integrating indigenous knowledge systems with the study of English literature.

DEPARTMENT OF ECONOMICS

Seven-Day Workshop, September 15 to 22, 2025

The seven-day Workshop on Research Methodology Principles and Practices was organised, in collaboration with the Indian Economic Association. In the workshop, 200 researchers learned about methods for conducting quality research. The Chief Guests were Prof. Rachna Mujju and Dr. Nomita P Kumar. The workshop included in-depth discussions on various aspects of research.

DEPARTMENT OF GEOGRAPHY

"Weather Watch 2025", Seminar on Weather and Climate Change, August 13, 2025

The objective of this program was to discuss the monitoring of changing weather and climate trends in India and the world, as well as measures to tackle them. The department invited presentations, essays and posters from B.A., M.A. and Ph.D. students. This seminar became a powerful platform for sharing research, solutions, and new ideas in the field of climate change and disaster management. The program was attended by about 100 students.

National Geo-help Changemakers Community School, August 15, 2025

The Department and Remote Sensing/GIS launched the National Geohelp Changemakers Community School, operated in Sikandar Nagar Basti, Hazratganj, Lucknow. Under this initiative, free education will be provided to about 40 underprivileged children living in slums. As a part of this ceremony educational materials were distributed by the department to facilitate the running of classes, along with other items to ensure smooth operations of the classes.

Seminar on title 'Cloud Burst and Sudden Floods'; Explained human ambition as the cause of disasters, September 13, 2025

The chief speaker, Professor S.K. Singh, Head of the Department, DDU Gorakhpur University, delivered a scholarly lecture on the topic "Cloud Burst and Flash Floods: Causes, Impact on Sensitive Areas, and Mitigation." He pointed out that the immense loss of life and property due to cloud bursting and flash floods is attributed to human ambitions. He also held the dams constructed on rivers responsible for the damage and emphasized the importance of afforestation, stressing that cutting down trees should be avoided. The program was attended by about 300 students.

'Young Mentor's Day',September 18, 2025

The aim of this Student-Teacher program is to provide students with practical exposure to teaching, leadership, and classroom management by allowing them to act as teachers for a day. This is to foster confidence, communication skills, and deeper subject understanding. The classes were conducted by students of M.A. where they taught various topics with the help of models and ppts.

Ganga Bhushan Award, September 28, 2025

During World Rivers Day, a grand event was organized by Ganga Samagra Awadh Prant, Lucknow Metro, with support from Adi Ganga Gomti Aradhana Manch (AGAM). Participants pledged to protect and keep sacred rivers like the Ganga, Yamuna, and Gomti clean. Ganga Bhushan Awards were presented to distinguished personalities, including Dr. Ritu Jain, Assistant Professor, Department of Geography, Shri Vishwanath Khemka, Shri Vishwadev Rao, Dr. Sarla Sharma, Dr. Kapil Srivastava, Shri Vijay Dixit, and Shri Akhilesh Jaiswal. The ceremony was attended by several dignitaries, including the founding members of Ganga Samagra.

DEPARTMENT OF HINDI

Seminar titled "Possibilities of Hindi Language in the United Nations" on Hindi Diwas, September 14, 2025

"Hindi language is not only a language of communication but also the language of civilization, culture and human values". The above statement was made by Professor Surya Prasad Dixit, an International Hindi scholar. Professor Dixit said that to develop Hindi, it will have to be linked with science and technology. Prof. D. K. Singh, Principal said that when other countries are understanding the importance of their language, then we too will have to understand the importance of Hindi.

DEPARTMENT OF POLITICAL SCIENCE

Essay Writing Poster Making Competition, August 5 - 6, 2025

The Department organized an Essay Writing and Poster Making Competition as a part of the celebrations of Kakori Train Case Centenary celebrations and Quit India Day to encourage critical thinking, creativity, and awareness among students about contemporary socio-political issues. Total of 100 students from various disciplines participated.
